

The Arabic Language and Culture Association of South Australia Inc. (ALCASA) has been formed in response to an identified need to promote cultural awareness and respect for diversity in South Australian communities. Our goals are to build bridges between Arabic speaking communities and the wider Australian Community by developing community education projects to celebrate cultural diversity and enhance the understanding and appreciation for Arabic language and culture. The Association is not affiliated with any political or religious groups.

As a main activity, ALCASA holds monthly Arabic Conversation workshops targeted toward non-Arabic and Arabic speaking members of the South Australian community. The workshops focus on various aspects of Arabic culture and language and are themed around areas such as food, music, dance, literature, festivals, games, and other culturally significant interests that arise from the group.

**In 2019, we are holding the monthly meetings in a family friendly location in Hectorville featuring outdoor and indoor play areas. The monthly meetups take place on the third Sunday of the month from 1:30 pm. We may organise special events during the year in other venues and at different times. For more info please write to [info@alcasa.org.au](mailto:info@alcasa.org.au)**

Membership is a requirement for access and participation in all ALCASA monthly activities. To become a member of ALCASA, please fill in the form below and hand in to **ALCASA's Treasurer** when you attend your first session. Payment can be made by Bank Deposit as detailed below or in person when you attend your first session.
