

The Arabic Language and Culture Association of South Australia Inc. (ALCASA) aims to build bridges between Arabic speaking communities and the wider Australian Community.

ALCASA holds community events welcoming non-Arabic and Arabic speaking members of the South Australian community. The events promote various aspects of Arabic culture and are themed around areas such as language, food, music, dance, literature, festivals, games, and other significant interests that arise from the group. In addition, we host cultural events in partnership with local and interstate cultural organisations. We also participate in occasional public multicultural events held in Adelaide.

The Association is not affiliated with any political or religious groups.

Membership is open to anyone interested in supporting ALCASA vision and activities. To become a member of ALCASA, please fill in the form below and hand in to **the Treasurer**. Payment can be made by Bank Deposit as detailed below or in person.
